PHD QUALIFYING EXAM APPLICATION

Instructions to the student:

- 1. This application form is to be used at the time you apply for your qualifying examination. You must fill out the entire form.**
- 2. Four core courses and one Mathematics/Statistics/Science course you filled in should satisfy the requirement of your specialization area listed in the Graduate Handbook. If the courses you choose are not satisfied with your specialization area, you must contact the Graduate Director, Dr. Waheed Bajwa for approval.**
- 3. After completing this form, please send it with your transcript and the paper you will present in an oral exam to the Graduate Director, Dr. Waheed Bajwa for approval.**
