**RUTGERS** School of Engineering

Combined ECE BS/MS Program

RU ECE

What is the BS/MS program?

ECE Undergrads have the opportunity to earn an ECE Master's degree with as little as **one more** year of classes.

★ Exposure to more advanced topics

★ Entry level jobs for MS students usually offer higher salaries and involve more interesting work

Seven MS Specializations including Machine Learning

BS/MS Scholarships

★ One time $1000 scholarship for incoming students

No fees, essay, or recommendation letters* required!

*Students with GPAs lower than 3.2 are required to submit at least one recommendation letter. See more information at https://www.ece.rutgers.edu/ece-combined-bsms-degree-program
